

OCD Connecticut has a team walking in Boston

Happy Spring! On June 6, 2015, my family and I will be walking in the International OCD Foundation's - 1 Million Steps for OCD Walk - in Boston, MA. As many of you may (or may not) know, our family has been impacted by OCD significantly and we strive to raise awareness and find support and services for those effected by OCD.

Here in the State of Connecticut we have started the CT Affiliate of the OCD Foundation - OCD CT and we will be walking with a group from Team Connecticut to show our support!

We want you to be part of this fun adventure by joining us in our walk team - Team Connecticut! Please check out our website: www.ocdct.org for more information and follow this link to join or donate online:
