

UCLA RESEARCH STUDY

SEEKING PARENTS AND/OR CAREGIVERS AND THEIR CHILDREN FOR AN ONLINE SURVEY ON EMOTION REGULATION, HEALTH, AND BEHAVIORS IN OCD

- Participation involves completion of a 45-minute parent and child survey (25-minutes for parents, 20-minutes for children)
- If you are a parent of a child (aged 10-17) with OCD, please consider taking this research survey with your child at the following QR code:

You will receive a \$10 Amazon e-giftcard upon survey completion and passage of quality assurance checks

To use QR code:

- Open your phone to the camera app
- Scan the QR code (don't take a photo)
- Click the link!
